Hospital Charges

Understanding Hospital Prices

While hospital charges can be confusing in a consistently changing environment, the team at River Hospital, Inc. is committed to keeping our prices among the lowest in our community. We are also committed to correct and transparent billing. If a service appears on a bill that was not provided, call **315-482-1235** and our team will investigate immediately.

We charge patients and insurance companies the same price for individual services. In addition to hospital charges, patients may be billed by other professionals who participated in providing care.

River Hospital Inc. Delivers Transparency in Pricing

In compliance with state law, River Hospital and Clinics provide a price list available to each patient and community member upon request. This list contains our estimated charges for services including:

- Emergency department
- Observation
- Ambulatory Surgery and Anesthesia
- Laboratory
- Physical therapy
- Inpatient Room and board
- River Hospital Convenient Care
- River Family Health Center
- River Family Health Center Specialty Services
- River Community Wellness Program
- Radiology
- Cardio Pulmonary Charges

The hospital charges are the same for all patients but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or underinsured patients should consult with our Financial Counselor to determine whether they qualify for discounts and/or Financial Aid.

These prices are an estimate based on the historical data as of July 31, 2025. For specific estimates, please contact our billing office at (315)482-1235 to be provided an individual cost estimate.

Please note that the pricing in this notice is an estimate only and all prices may vary based on the individual services performed and the acuity of care required.

River Hospital Disclosure

Important Information about Paying for Your Care at River Hospital, Inc.

River Hospital is a participating provider in many health plan networks. You can find a list of the plans in which we participate **on the reverse of this notice** or at **www.riverhospital.org**. Some health plans use smaller networks for certain products they offer so it is important to check whether we participate in the specific plan you are covered by. Our list will tell you if we do not participate in all of a health plan's products.

It is also important for you to know that some of the physician services you receive in the hospital are not included in the hospital's charges. Physicians who provide services at the hospital may be independent voluntary physicians or they may be employed by the hospital. Some Physicians bill for their services separately and may or may not participate in the same health plans as the hospital. The reverse of this notice includes a list of groups and/or physicians that may bill separately for the services that were provided at River Hospital. You should check with the physician arranging your hospital services to determine which plans that physician participates in. Plan participation information for physicians employed by the hospital can be found **on the reverse of this notice** or at **www.riverhospital.org**. River Hospital, Inc. contracts with a number of physician groups, such as radiologists and pathologists, to provide services at the hospital. Contact information for the physician groups the hospital has contracted with is available **on the reverse side of this notice** or at **www.riverhospital.org**. You should contact these groups directly to find out which health plans they participate in.

You should also check with the physician arranging for your hospital services to determine whether the services of any other physicians will be required for your care. Your physician can provide you with the name, practice name, mailing address and telephone number of any physicians whose services may be needed. Your physician will also be able to tell you whether the services of any physicians employed or contracted by River Hospital, Inc. are likely to be needed, such as radiologists and pathologists. Contact information for these physicians is available **on the reverse side of this notice** or at **www.riverhospital.org**. You should contact these groups directly to find out which health plans they participate in.

Hospitals are required by law to make available information about their standard charges for the items and services they provide. This information is available **upon request** or at **www.riverhospital.org**, or by contacting (315)482-1235.
