Grateful Patient Program

At River Hospital,
exceptional
health care and
compassion go
hand in hand.

A Way to Say Thank You

It may have been the compassionate nurse who made your stay more comfortable, or the skilled Physical Therapist who shared an understanding word during a therapy session. Perhaps it was a hug from someone at River Family Health Center that eased your child's fears, or a visit from a staff member who treated you more like an old friend than a hospital patient.

There are dozens of ways the staff at River Hospital make a difference in the lives of our patients. We hear about them every day - through letters, phone calls and other expressions of gratitude. We enjoy hearing about your experiences and what made a difference to you.

By establishing the Grateful Patient Program, individuals and/or their families are able to formally recognize the exceptional care received at River Hospital. Whether you choose to salute a special medical provider, nurse, an entire department, or a clinical program that impacted your health or that of a loved one, your donation is a meaningful opportunity to say "thank you", and to give back to those who may have given so much to you.

Your generosity will enhance the experience of future patients - by helping us purchase new technologies, modernize our facility and introduce new programs while maintaining River Hospital's proud hallmark of personalized care.

If you've been touched by the River Hospital staff, why not pass your exceptional experience along with an honorary donation to our hospital? Your contribution will pave the way for new avenues of health and hope...and benefit others in need.

Words of Gratitude

"As a summer resident of the 1000 Islands, I appreciate the value of having River Hospital in the area."

"We cannot praise enough the professional and personal level of care received while at River Hospital, and this professionalism was evident from the very first day there. You should be most proud of the entire staff; they are an absolute credit, asset and valuable component of your facility."

"The nursing care was more than I expected in a smaller hospital and I was so thankful for the truly caring and proficient application of skills. I found "angels of mercy" attending patiently while I was so ill and uncomfortable."

"Knowing River Hospital is nearby, if I ever have need for hospital care is very comforting to me!"

Make it Personal

River Hospital's Grateful Patient Program is flexible and personal. You can designate a gift of any size to a specific area, or allow us to direct the funds where they're needed most. Furthermore, you can choose to make a cash donation or contribute through other charitable gestures, such as gifts of stock, endowment funds or planned giving.

As part of this program, your donation may acknowledge a staff member at River Hospital - whether it is a physician, nurse, therapist, social worker or anyone else who made a special impression, or you may wish to give in honor or memory of a loved one.

Message from the Heart

If you'd like to participate in the River Hospital's Grateful Patient Program, kindly complete both sides of this form and mail it to: River Hospital Development Department PO Box 567, Alexandria Bay, NY 13607. Or give us a call at 315.482.4976.

If you are unable to give at this time, you may still use this space to send a thank you note to an outstanding member of the River Hospital staff. We will forward your note of appreciation. When recognizing individuals, please specify their full name and department.
